SCHOOL HIGHLIGHTS

Our vision parallels the district vision, which is to maintain an unwavering focus on powerful and engaging learning experiences that prepare students for college, career, and life success.

To achieve this vision, the community of Foothill Oaks Elementary School will commit to:

- Nurturing responsible citizens
- Fostering a passion for higher learning
- Creating an inclusive environment where diversity is celebrated
- Ensuring a positive and safe learning environment for all students

Our students and staff at Foothill Oaks Elementary share a strong desire to be the best we can be. Our student population ranges from transitional kindergarten to sixth grade, and we are fortunate to have four moderate-severe SDC classes, K - 6.

Foothill Oaks is especially proud that our students have access to multiple technology programs to enhance their learning experience at home and at school. We also take advantage of Wednesday early release days. At least twice a week teachers meet in their Professional Learning Communities (PLCs) to collaborate on data analysis and essential standards. In addition, at least once a month on Wednesdays, teachers receive professional development on a variety of topics such as English Language Development and Socio-emotional Learning.

EXCELLENCE IN EDUCATION

Every instructional minute counts as we strive for unparalleled student achievement. Our 2018-2019 SBAC scores were

above the district average at 35.42% proficiency for math and 44.77% for English Language Arts (ELA). Due to the COVID-19 pandemic, students did not take the test for the 2019-2020 school year. Our goal continues to be to increase student proficiency for both Math and Language Arts and we will use district benchmark data for comparison and measurement. For the 20-21 school year we will have:

- Professional Learning Communities (PLCs) for staff with the focus on increasing academic achievement
- Instructional Leadership Team with the focus on Unparalleled Academic Achievement
- Monthly parent/community meetings to address concerns and answer questions.
- PBIS team that focuses on positive school wide behavioral systems such as Caught Ya's, positive office referrals and life skills award assemblies
- 1:1 computers in grades 1 - 6 and 3:1 for Kinder

NOTABLE ACCOMPLISHMENTS

- HealthierUS School Challenge National Silver Award 2015

ENRICHMENT PROGRAMS

- After school choir
- Extended Learning, ASES (after school program)
- After school sport activities through ASES
